JADE
 September 2016
 Issue 142

JADE magazine is produced in high resolution and should display well on most monitors/screens. It has been designed so pages can be viewed individually. Should you have difficulty reading the text you should be able to enlarge it within Adobe Acrobat Reader to a more comfortable level. Copy and print protection has been enabled (you will be unable to copy or print from this file) to protect the copyright of our contributors.

You should set your Acrobat Reader to 'view single pages' and either 'fit to screen', or 'view full screen' (hit the Esc key to return to the pdf window) for the best viewing experience.

You can navigate through this magazine in the traditional manner using the 'forward/back', 'left/right' arrow keys in Acrobat, or use the arrow keys on your keyboard. If you do not want to read each page in turn, but want to go direct to a contributor, story, feature, article or page, just click on the button beside its entry on the contents page.

The website address links are active and you can use them to visit the websites shown, and to see the larger work of our contributors.

USE THE ARROW KEYS

We recommend using your keyboard's 'left and right' arrow keys to turn the pages.
