IMPORTANT INFORMATION

Please use your full postal address with county and post code.

You must provide a contact telephone number - this has to be a landline number - we do not accept orders where only a mobile number is given.

Only your name and address details are kept on computer.

Once your payment has cleared the banking system you will be sent an email with your subscription details and your first password for the download.

DOWNLOAD JADE SAMPLE TEST FILE

It is important that you have downloaded and tested the JADE magazine test file from the website before placing an order or taking a subscription. We require you to sign the declaration below, and enter the 'Confirmation Code' found on page 3 of the download sample test file, to confirm you have done this successfully before we will process your order. Once an order has been processed, payment received and the first of your passwords has been sent we WILL NOT give refunds under any circumstances for security reasons.

YOUR EMAIL ADDRESS

It is important that you send us a valid email address and that should this change you inform us straight away as this is the only way for you to obtain your monthly password to access to the downloaded magazine. You should be aware that if you offer a new email address during your subscription you will be required to verify your identity.

ANTI-VIRUS - SPAM

It is also important that you set your email anti-virus/spam filters to recognise our email address (see above) otherwise your monthly emailed password may get marked as spam, or even deleted before you receive it. We NEVER send anything 'attached' to an email, so if you get an email purporting to be from the address above and it has an attachment, delete it without opening it.

PASSWORD EMAILS

Your passwords will be sent by email at the start of each month telling you the next issue is available (usually on the 3rd day of the month) and giving you the password to access it.

SPECIAL NOTE - PRINT PROTECTION

All issues of the magazine are print protected. This means the files (once they have been downloaded) cannot be printed - this is to safeguard copyrights.

RENEWALS - THANK YOU AND WELCOME BACK

On behalf of the team and all our many fine contributors we thank you for renewing your subscription and supporting JADE for another year and look forward to welcoming you to each new issue as they are published.

General Terms & Conditions: I confirm I am over 18 years of age and understand the uncensored adult content of the magazine. I further confirm that the magazine is for my own personal use and will not be shown to minors or third parties and that I am responsible for the security of the magazine and my password once it has been downloaded to my computer. I undertake not to breach the magazine's copyright, neither will I copy, print or otherwise disseminate in any form the magazine or any of its contents.
